**Your Comments or Concerns**

All good with the service, maybe increase the number of prizes.

**Your Proposed Solution**

make tickets with more small prizes, for example instead of having 10 prizes of 250 thousand, put 5 prizes of 250 thousand and divide the rest of the amount of 1,250,000 among more small prizes, so that customers are more satisfied by winning more often.

**My Comments Will Be Made Public**

Yes
