#### **Your Comments or Concerns**

There is not access to TDCJ website by inmates so that they can check their status. Many don't have family members who can do this for them or many have older family members who don't know how to check the system.

**Your Proposed Solution**

Place the TDCJ website on inmate tablets. With the TDCJ website on the tablet, inmates can review their parole status and read any updated TDCJ information. TDCJ being on the tablet allows TDCJ to be more transparent.
