Your Comments or Concerns

I think there needs to be severe crack downs on corrupt personnel. From what I'm hearing the inmates are dealing with same issues inside prison as outside. Drugs, theft, horrible inhumane conditions, horrible food, some units have no jobs or classes so they can try to be productive and learn to better themselves. The objective should be rehabilitation.

Your Proposed Solution

I'm loving the edovo app they just got on their tablets. They need more hands on training. I think that farming, growing food for their unit would be great. Anything that would make them feel important, give them pride in something, pride in themselves.
