Your Comments or Concerns

Parole board needs to let Inmates out that are actually changing there lives instead of the ones that are doing drugs and not making an insensitive to change my husband has done almost 9 years on his 25 years sentence and he keeps getting set off he has earned 18 certificates and hasn't gotten a case in years no major cases may have missed work or was late but he has made a change with his life he doesn't do drugs or anything he has really turned his life around and parole lets people out that hasn't done nothing to change there lives

Your Proposed Solution

Let the ones parole out who are making a difference in there lives and who pass there drug tests and who has taken classes and has done a lot to prove them selves
