Your Comments or Concerns

As a mother of a incarcerated son, I can assure you that NOTHING in the Sunset Report is exaggerated. We have been begging legislators to listen to these same issues since 2017 when TIFA first brought the EARNED TIME CREDIT BILL to the legislators. This is just one way to work toward resolving these severe problems that affect the safety of Texans and the just and moral treatment carried out in our prisons! Please listen...Please act...it's time...2025!
