#### **Your Comments or Concerns**

Please review the licensing process throughly. In recent years, it seems our standards for licensing have become concerning. We are in change what us most people's biggest purchase. Yet people with questionable backgrounds. Are given full access to lots of confidential information as well as access to a whole house full of people's assets.

**Your Proposed Solution**

Reset the standards. To if you have certians convictions you can't get a real estate license. Choices and consequences.
