Your Comments About the Staff Report, Including Recommendations Supported or Opposed: In regards to administrative rule 217.3, I believe the dmv has overstepped their boundaries by revoking titles, and making it impossible to register these historical vehicles, that have been legally on Texas roads for decades. The dmv cannot provide stats on safety of these vehicles to support their case, nor is there a definition from them of what constitutes a dune buggy.

Any Alternative or New Recommendations on This Agency: Yes, overturn this rule. It's an intrusion on my rights as an automotive hobbist in Texas.

The dmv is wasting public money creating rules with no logic behind them.

My Comment Will Be Made Public: I agree
